

The House

Located in the attractive and historic town of Kaş, on the beautiful and unspoilt Turquoise coast of Turkey, we want to provide you with an outstanding memorable holiday experience. Whatever your passion – sailing, scuba diving, long lunches, walks, canoeing, swimming, massage, sundowners or simply doing nothing – the Kaş Peninsula is for you. Kaş is south of the busier resorts of Fethiye, Oludeniz and Kalkan. 2 hour's drive from Dalaman airport and 3 hour's from Antalya.

Our luxurious 6 bedroom villa, is located in a prestigious, quiet neighbourhood on the Peninsula with direct access to the sea – no towels on the sand rather you go directly into the water - a private infinity swimming pool, covered car parking and landscaped gardens large enough for everyone to have their own quiet space. The villa benefits from the most spectacular views.

Accommodation

The house sleeps twelve people in six bedrooms, 5 of which have en-suite facilities. Three bedrooms have king size beds; three bedrooms have twin single beds. The master bedroom has been created with honeymoon luxury in mind.

The accommodation is arranged over 3 floors.

The main villa has 2 floors, a ground floor with 2 different lounge spaces, a dining, kitchen area and 2 bedrooms, one with en-suite and a family bathroom – leading to the main terrace with barbeque, outside dining, sun beds and pool. The upper floor comprises the master bedroom suite and terrace.

The garden floor has a small kitchenette and living area with a TV and terrace, and a further 3 en-suite bedrooms. Access to the garden floor is achieved either down the steps from the main terrace or from the steps down the side of the property. This makes the house ideal for 2 families sharing or different groups of friends.

The house is fitted out as a stunning home with all inventory and furnishings to a high standard. A range of electrical equipment is provided including: satellite TV, wireless broadband connection and DVD player. The main kitchen is fully equipped with a dishwasher, four burner gas hob, microwave, oven and a large fridge/freezer. For hot summer months the property is fitted with air conditioning and there is a wood burning stove required for some of the evenings in the winter months.

Outside the house there are sun loungers, chairs and al fresco dining areas to accommodate the full complement of guests – with many different terrace spaces. One terrace gives access directly into the sea. The landscaped garden and the pool are maintained daily and the house is cleaned daily, with a full bed linen change weekly. Towels are changed twice a week. There is a superb manager locally to help if required and our gardener, Erol will help with any daily questions or requirements you have.

The villa is not suitable to rent for children under 5 or those with mobility issues.
